Wine description: 100% Montepulciano red.

The generous soils of Southern Abruzzo and this noble classic grape yield up this red wine, fermented in stainless steel tanks and aged in big oak casks. The grapes for the Rubesto come from selected vineyards that Frentana's viticulturists have chosen in our best hills. This wine has an intense ruby-red colour with purple reflections and a fragrant nose of violets, plum and black cherry. Rich, harmonious and full-bodied to the palate, it matches well with roasts, steaks, charcuterie and cheeses and should be served at 18° C.
